

## **Daily Debt Free Confession**

I am DEBT FREE  
I owe no man anything  
I give generously  
I receive easily and swiftly

I am a tither  
The windows of heaven are open over me  
God supernaturally pours out money on me  
Multiple streams of income flow into my life

I give offerings generously  
I am always open to giving what God would have me give  
Because I give offerings my future is well prepared for  
I have sowed bountifully, I reap bountifully

Money is flowing into my life  
God can trust me with money  
I have been faithful with a little now God is giving me much  
I am a wealthy, generous individual,  
Philanthropic seeking to promote the welfare of others
