CONGREGATION DECLARATION

We declare Jesus is Lord over our lives.

We refuse to be moved by anything other than the Spirit of God.

We are saved, serving and sanctified for the Masters use.

This is our time to shine for His glory.

We refuse to be moved by what is going on in the world.

We are redeemed from every foul thing, we are carriers of God's love.

> We are being afforded opportunities that we insist on ceasing.

We are difference makers designed by God to give the world hope.
