Catapult your walk with God by making the commitment to read through the entire Bible in one year. Not only will your knowledge of His Word increase, but you will experience tremendous spiritual growth.

We recommend that you read the Psalms and Proverbs daily as a family. This will help knit your family together in unity and cause you to grow closer to each other while bringing health and life to any family situation.

This is a simple schedule to read through the Bible in one year. It is very easy to accomplish, as each day requires very little time. Each day you will read five of the Psalms, one Proverb, and two to three chapters of another book of the Bible. The reading of the Psalms and Proverbs are referred to as devotional readings, and chapters from other books as the regular Bible readings. At the end of the year, you will have read through the entire Bible once, and the Psalms and Proverbs twelve times! For accelerated growth, read each day's readings more than once.
